2008

The System of Care Oversight Committee
Wednesday 6/18/08

The primary agenda was a preview presentation of the Cleveland Metropolitan School District's "Humanware Report" by Mr. Eric Gordon, Chief Academic Officer of the Cleveland Metropolitan School District and Dr. David Osher from the American Institute for Research. The presentation will be followed by Q&A and discussion of the implications of the report for Tapestry System of Care and all of its partners.
